Letter From Diane Lee Clemons

My husband and I would like to say thank you for your support over the past 19 years. With support from amazing people like you, we have been able to provide funding for camps, food banks, shelters and scholarships to countless youth who are wanting to further their education. "Giving a hand up and not a hand out" is our mantra.

Through all the hardships our communities have faced, the Pinball Foundation continues to grow, and so does the need of youth in our community. Our goal is to empower youth through education by taking them from the margins to the mainstream, or from community to career. Every dollar raised will go towards helping a young person fulfill their educational goals.

My grandmother never learned to read or write. My parents didn't make it past grade school. But because of their sacrifice, I was blessed with that opportunity.

For Michael and I, it is both our dream and our joy to see youth who are a reflection of ourselves realize their personal and professional goals.

Please consider joining us on December 9th, as a sponsor for an amazing Christmas show that is sure to put you in the Christmas spirit. You are guaranteed to experience every emotion!

Join the Clemons' family and help us give the gift of education, opportunity, and employment so our youth are able to live their dreams.
